

# Traveling Table Bucket Instructions:

---

1. Remove the lid from the bottom of the bucket.
2. Store desired materials inside of the bucket.
3. Place the lid back onto the bucket and flip it to the upright table position (wood on top).
4. When the table is in use and there are no items inside, you can choose to leave the lid on the bottom of the table bucket or removed.

Enjoy your Traveling Table Bucket!
